SWORDQUEST

More than a book
The adventure novel you play
as well as read! A role-playing fantasy
with complete instructions for solo play,
or for use
with the most advanced role-playing games.

The King lies poisoned

At the border a dark horde awaits only his death.

Ahead are cruel traps, awesome monsters, and the horn of a unicorn

Only its magical healing power can save the King.

The bards will sing your glory in every hall if you succeed

You will die forgotten if you fail.

The eternal hero, alone, you stride forward to meet your challenge
